Comments: The LARR D-2 was delivered to the [REDACTED] warehouse on 15 January 1962 and dropped from a fork lift. (See memo of 16 January 1962). The only permanent damage apparently was to the external appearance of the equipment. It is believed that no damage was sustained which will affect the operation of the LARR D-2. Included with the shipment were a desk, chair, electric typewriter and punch.

Recommended Action: That the LARR D-2 be accepted as satisfactory. Any future problems resulting from the drop at the warehouse will be reported to Inspection Branch, PD/OL.
